

Dr. D. K. JHAMB

MD (Medicine), Delhi University,
DM (Cardiology), AIIMS, Delhi

Director and Head of the Department, Interventional Cardiology

Dr. D. K. Jhamb holds more than 3 decades of phenomenal experience in performing complex cardiac procedures. He has accomplished more than 50,000 coronary angiograms and performed around 25000 angioplasties (PTCA). His excellent academic credentials include degrees from India's top-ranking institutes.

Education and Training

- MBBS, MD from MAMC, Delhi University
- MD from RML Hospital, Delhi
- D.M. (Cardiology) from AIIMS.

Previous Associations

- CN Centre, AIIMS
- Escorts Heart Institute, Delhi
- ISIC Hospital, Vasant Kunj, Delhi,
- Paras Hospital, New Delhi

Fellowships

- San Raffae Hospital, Milan

Treatment Specialisation

- Coronary Angiography
- Angioplasty (PTCA) with stent
- Peripheral Angiography and Angioplasty
- Carotid Angioplasty
- Pacemaker and device implantation
- ASD/VSD Device Closure
- Micra Implantation (Small leadless pacemaker in ventricle cavity)
- Mitral/Heart Valve Replacement
- Acute Aortic Dissection
- TAVI (Transcatheter Aortic Valve Replacement), an advanced minimally invasive technique

Achievements

- Specialized in wards and invasive diagnostic and therapeutic interventional Cath lab work.
- Accomplished more than 2000 different device implant surgeries (ICDs, Pacemakers, Combo devices, etc.) with state-of-art technology.
